

Based on the draft pages you provided, your report template has already structured the Evidence section (Chapter 4) perfectly according to the rubric. You just need to replace all those red [TODO] placeholders with the actual metadata and the raw terminal outputs we generated earlier.

Here is exactly what you need to write for each item, from E-1 to E-15, filling in all the gaps. Copy and paste these directly into your document, and insert the raw data where indicated.

E-1 to E-4 (Topology & Wireless Evidence)

E-1 • photo (photo already added)

Who: Tejasvi Shrivastava (2024CS10582) When: 22-08-2026 03:30 Where: NB-09, Satpura Hostel

Artefact: *[Insert the photo you took of your hostel AP with the handwritten placard]*
